- **Life Insurance:** Naming EQUI-VENTURE EQUESTRIAN CENTRE & HORSE RESCUE as the beneficiary of an old life insurance policy that is no longer needed to protect your family is a simple way of making a large gift. - **Gift of Stock:** Stocks and other gifts of investment assets such as mutual funds provide an opportunity for a tax savings while supporting EQUI-VENTURE EQUESTRIAN CENTRE & HORSE RESCUE.
- **Charitable Lead Trust** - This trust makes payments, either a fixed amount (annuity trust) or a percentage of trust principal (unitrust), to charity during it's term. At the end of the trust term, the principal can either go back to you (a grantor lead trust) or to heirs named by you (a non-grantor lead trust). You may claim a charitable income tax deduction for funding a grantor lead trust or a charitable gift tax deduction for funding a non-grantor lead trust. Since lead

trusts are typically used to pass assets to heirs, non-grantor lead trusts are far more common than grantor lead trusts.

- **Bequest** - When you decide to leave assets to charity in your will, you are making a bequest. Your estate will receive a charitable estate tax deduction at your death, when the gift is made to EQUI-VENTURE EQUESTRIAN CENTRE & HORSE RESCUE.
- **Retained Life Estate**- You may make a gift of your personal residence or FARM, to charity and retain the right to live there for the remainder of your life. You receive an immediate income tax deduction for the gift. At your death, the charity can use or sell the property.
- **Buy and Sell items on eBay for Equi-Venture** If you have an item which could sell on Ebay and turn into feed money for the horses.

- **Gold** - Send in your old gold! Let us spin that gold into feed money for the horses! Gold is at an all time high and so are our feed bills. We can send you a tax deduction for the exact amount your items bring!
- **Send in your old ink cartridges and cell phones!** We are collecting them to raise funds for the small animals residing here. The goats, chickens, guinea pigs, bunnies, cats and dogs all need to eat too.
- **Provide Sanctuary Land for our Special Needs Horses and Animals** Fenced in pastures with water and shelters are always needed where the efforts of our horse rescue can provide sanctuaries for the saved horses, ponies and mules. Many of our rescues are adopted by fabulous new families, but many with special needs remain in “sanctuary”. These are former school horses, race horses, show horses, children’s pets. All were saved from slaughter. These and more fantastic, hard working animals need a safe haven to relax and live in peace. The goal, or wish of at least 40 acres (can be in different close by locations) will provide ample space for all. Can YOU help? We could become quite self sustaining if we have land for grazing and for growing hay!!! We would provide all of the feed, hay and care for the sheltered horses. All you have to do is provide the land.
